Embassy of India, Helsinki

Advisory to all intending to visit India

It has been brought to this Embassy’s notice that a number of fake visa websites are operating on the internet, claiming to provide e-Tourist Visa services to visa applicants desiring to travel to India. Many complaints have been received relating to frauds perpetrated by these websites. In order to mislead applicants, some of these websites have created images and home pages mimicking the Government of India websites for e-Tourist Visa applicants. A few of them are:

- e-touristvisaindia.com
- indianvisaonline.org.in
- e-visainida.com

All above websites are fraudulent and should not be used for Indian visas. The official website is www.indianvisaonline.gov.in. You are advised not to deal with any other website for e-Tourist Visa or, e-Visa for India.
