TENDER ATTACHMENT

FINANCIAL STATUS OF CONTRACTOR, Appendix 2b

1. The contractor must have assets of at least 40% of the contract price. The contractor must present proof of the assets from the bank.

☐ Proof of assets is attached

2. The annual turnover of the contractor: The contract price can be at most 50% of the contractor’s annual turnover in the past three financial years. The contractor shall present audited financial statements.

Turnover
2018 _________________ €
2017 _________________ €
2016 _________________ €

3. Contractor’s operating profit or loss. No more than two of the contractor’s five financial years can be loss-making. The contractor shall present audited financial statements.

Operating profit or loss
2018 _________________ €
2017 _________________ €
2016 _________________ €
2015 _________________ €
2014 _________________ €

4. The bidder is liable to deposit a warranty equalling 2% of the offered contract price as the financial institution’s bank guarantee. The deposit must be made before the tender is submitted. Receipt of the bank guarantee payment must be included in both envelopes 1 and 2. The warranty expires if the contractor is not selected.

☐ Receipt of bank guarantee is attached

☐ Certificates required by the Act on the Contractor’s Obligations and Liability are attached
