Question  
____________________________________________________________________

The contractor may draw up an attachment if required. The list of questions must be returned at the latest in the pre-bid meeting on **February 2019** mentioned in the tender request. The questions may also be returned before this by mail or e-mail. The client/developer will save the responses within 7 days in the Dropbox link of the project, where the bidders may go read them.

Name of the bidder, company, address, e-mail id and telephone number
